

**Doubting the Compatibility of  
Science and Faith  
Week 5 in the series, "Don't Stop Believing"**

"Our dear friend Luke, the doctor, and Demas send greetings."  
Colossians 4:14

First: Get familiar with scientists who are b\_\_\_\_\_.

Second: Don't let the o\_\_\_\_\_ d\_\_\_\_\_ distract you from more  
fundamental faith issues.

Young Earth: Ken Ham (Answers in Genesis)  
Old Earth: Hugh Ross (Reasons to Believe)  
Intelligent Design: Michael Behe (Discovery Institute)  
Theistic Evolution: Francis Collins (BioLogos Foundation)

Third: Understand where the conflict really lies.

The conflict isn't between Christianity and science, but between Christianity and  
philosophical naturalism.

Fourth: Admit that disbelief involves the h\_\_\_\_\_ and not just the  
h\_\_\_\_\_.
