Get to Know You

What is your favorite remote place to go to in order to get away from...whatever?

Study the Book

Read John 6:1-13

Our resources for meeting a world of need may seem very small...

How has the church been a place of respite and recharge in your life?

How have the needs of others interrupted your retreat with Jesus?

Are you more calculated and cautious or visionary and adventurous?

What are some needs in our community that you find overwhelming?

...until we place those resources into the hands of Jesus!

In view of all the needs in our community, how are our resources a part of what Jesus can do?

It seems that no one but the apostles really caught on that something was happening. It just seems that as the baskets were being passed, they never ran out, and 12 baskets of leftovers were picked up. An abundant, loosen-your-belt, push-away-from-the-table, go-take-a-nap kind of meal.

Pastor Tom

How have you experienced God do far more than what you thought your resources could accomplish?

Our call: We're to meet a world of need.

Christ's promise: Putting our resources in his hands is the only way to accomplish the task.

Group Application and Discussion

How do we balance faith in the abundant resources of God but also counting the cost (Luke 14:28-30)?

How can your class pray for areas of needs that you see around you?

Personal Reflection and Application

What resources do you have that could be used for others?

Pray that God would multiply the work of those resources as they impact other's lives.
